

# Sustainability Accounting Standards Board (SASB) Index

The index below maps our current disclosures for relevant environmental, social, and governance (ESG) topics to the SASB Standards (part of the International Financial Reporting Standards Foundation) for the Commercial Banks and Mortgage Finance sectors. All data and descriptions apply to our operations for January 1, 2024–December 31, 2024. Certain information is not disclosed within the index below because we believe that information (i) is not considered material or is confidential; (ii) could cause a competitive disadvantage to our business if publicly disseminated; or (iii) is not currently collected in a manner consistent with the related SASB metric. Our disclosure on these topics may evolve over time.
